Message From Founder

Rahul Choudhary

Dear Supporters, Partners, and Well-Wishers,

It gives me immense pleasure to present the Annual Report of Jan Sanjeevni Trust for the Financial Year 2024–2025. This year has been a meaningful journey of compassion, dedication, and collective effort as we continued our mission to serve communities in need. At Jan Sanjeevni Trust, we believe that every individual deserves access to basic necessities such as education, healthcare, and a life of dignity. Over the past year, our organization has expanded its reach and strengthened its initiatives across several key areas including child education, healthcare support, hunger relief, environmental awareness, and community engagement. One of the most encouraging achievements of this year has been the continued growth of our education centers, where children from underprivileged backgrounds receive academic support, learning resources, and opportunities to build confidence in their future.

Supporting more than 1000 students has been a proud milestone for our team.

Our healthcare initiatives have also played an important role in supporting families facing medical challenges. From assisting critical medical cases to organizing health checkup camps and distributing essential medical supplies, our aim has been to ensure that no individual is deprived of care due to financial constraints. Through hunger relief drives, clothing distribution, environmental initiatives, and skill development programs, we have continued to work towards building stronger and more self-reliant communities. None of these achievements would have been possible without the unwavering support of our volunteers, donors, partners, and well-wishers. Your trust and encouragement inspire us to continue working with greater commitment and compassion. As we move forward, our vision remains clear—to expand our programs, reach more vulnerable communities, and create sustainable impact that transforms lives.

Together, we can build a future where hope, opportunity, and dignity are accessible to all.

**With sincere gratitude,
Rahul Choudhary

About

Jan Sanjeevni Trust

Jan Sanjeevni Trust is a non-profit social welfare organization dedicated to supporting underprivileged communities through compassionate initiatives in healthcare, education, hunger relief, community development, and social welfare.

Founded with the belief that every individual deserves dignity, care, and equal opportunities, the Trust works actively to assist vulnerable sections of society including children, economically weaker families, elderly individuals, and marginalized communities.

Over the years, Jan Sanjeevni Trust has expanded its impact through various initiatives such as establishing education centers for children, supporting critical healthcare cases, organizing health camps, conducting food and essential distribution drives, promoting environmental awareness, and initiating skill development programs for youth and women.

Our work focuses not only on providing immediate relief but also on creating long-term positive change in communities. Through education support, medical assistance, livelihood training, and social awareness activities, we aim to empower individuals and help them build a better and more secure future.

Looking ahead, Jan Sanjeevni Trust envisions a unique and compassionate initiative – establishing an integrated Old Age Home and Orphanage under one roof, where elderly individuals and orphaned children can live together as a family. This initiative aims to create an environment where senior citizens experience the love of grandchildren, and children receive the guidance, affection, and blessings of grandparents.

With the support of volunteers, donors, and community partners, Jan Sanjeevni Trust continues its mission of bringing hope, care, and opportunities to those who need it the most.

Vision And Mission

Vision

Our vision is to create a compassionate and inclusive society where every individual—regardless of age, background, or financial condition—has access to care, dignity, and equal opportunities for a better life. Jan Sanjeevni Trust envisions building communities where underprivileged children receive quality education, vulnerable families have access to healthcare support, and elderly individuals live with respect and emotional security.

As part of our long-term vision, we aim to establish a unique integrated Old Age Home and Orphanage, where senior citizens and orphaned children can live together as a family, sharing love, guidance, and emotional support across generations.

Through this initiative and our ongoing social programs, we strive to build a future driven by compassion, humanity, and collective responsibility.

Mission

Our mission is to uplift and empower underprivileged communities through sustainable social initiatives focused on education, healthcare, and community welfare.

We are committed to:

- Supporting children from economically weaker backgrounds through education programs and learning centers.
- Providing medical assistance and healthcare support to families facing financial challenges.
- Organizing hunger relief drives and distributing essential resources to those in need.
- Promoting environmental awareness and community development initiatives.
- Encouraging skill development and livelihood opportunities for youth and women.
- Creating compassionate support systems for elderly individuals and vulnerable communities.

Through our dedicated volunteers, supporters, and partners, we continue to work towards creating meaningful and lasting social impact.

Through these initiatives, we strive to improve health awareness and access to basic medical support.

Jan Sanjeevni Trust

Success Stories

Supporting Children with Critical Medical Needs

Jan Sanjeevni Trust is committed to ensuring that children from financially disadvantaged families receive the medical care they urgently need. Many families struggle to afford life-saving treatments, surgeries, and long-term medical care. Through its dedicated healthcare support initiatives, the Trust helps bridge this gap by providing financial assistance for essential treatments, including surgeries, therapies, and medications.

Working in collaboration with hospitals and healthcare professionals, Jan Sanjeevni Trust ensures that children receive timely diagnosis, quality medical treatment, and the care required for recovery. Beyond immediate treatment support, the Trust also focuses on post-treatment assistance and follow-up care to help children regain their health and return to a normal life.

By reducing the financial burden on families and providing access to critical healthcare, Jan Sanjeevni Trust not only saves lives but also restores hope, giving these young patients the opportunity to grow, learn, and build a healthier future.

Hunger Relief & Essential Distribution

Program

Hunger Relief Initiative

Jan Sanjeevni Trust is committed to supporting vulnerable families facing food insecurity. Through regular food distribution drives and community support programs, the Trust provides essential meals and ration supplies to underprivileged individuals and families. These initiatives aim to ensure that no one in need goes to sleep hungry while bringing relief and dignity to those facing difficult circumstances.

Hunger Relief & Essential Distribution

Program

Clothing Distribution Drive

Jan Sanjeevni Trust organizes clothing distribution drives to support underprivileged families and individuals who lack access to basic necessities. Through these initiatives, the Trust distributes clothes, blankets, and other essential items to people in need, especially during harsh weather conditions. The drive aims to bring comfort, dignity, and relief to vulnerable communities while encouraging compassion and community support.

Hunger Relief & Essential Distribution

Program

School Bag & Stationery Distribution

Jan Sanjeevni Trust organizes school bag and stationery distribution drives to support children from underprivileged families in their educational journey. Through this initiative, essential learning materials such as school bags, notebooks, and stationery are provided to help students continue their studies with confidence and enthusiasm. The program aims to encourage education and ensure that lack of basic resources does not become a barrier to a child's learning.

Hunger Relief & Essential Distribution

Program

Summer Chabeel (water distribution)

During the intense summer months, Jan Sanjeevni Trust organizes Chabeel (water distribution) drives to provide refreshing drinking water to people in public areas. This initiative aims to offer relief to commuters, laborers, and individuals who are exposed to extreme heat. Through this effort, the Trust promotes compassion and community service while helping people stay hydrated and safe during harsh summer conditions.

Environmental, Awareness & Community

Initiatives

- Plantation drives promoting environmental responsibility
- Awareness drives on health, hygiene, and social issues
- Survey drives to identify community needs and plan interventions
- Sanitary Pad distributions
- Old age home visits providing emotional and social support
- Participation in and organization of various social initiatives in collaboration with partner organizations

Skill Development & Livelihood Support

Program

During FY2024–25, Jan Sanjeevni Trust also initiated skill development and livelihood support activities for children and youth belonging to underprivileged communities, particularly in urban slum areas.

Key Interventions:

- Conducted sewing (silai) machine training programs at community locations and slum areas
- Daily basis practical training sessions organized to ensure hands-on skill development

Skill Development & Livelihood Support

Program

Impact Narrative:

These skill development initiatives aimed to empower beneficiaries with practical abilities that can support long-term independence and income-generation opportunities in the future. By taking training directly to underserved communities, the Trust ensured accessibility and consistent participation. The initiative reflects Jan Sanjeevni Trust's commitment to holistic development, combining education with life and vocational skills.
